

THE COLBERT GROUP

TURNING MISSIONS INTO MOVEMENTS

SERVICE GUIDE

Community Advocacy

We support organizations and community groups as they listen, build partnerships, and organize informed responses to issues affecting people and access to opportunity.

HOW WE CAN HELP

Community listening

Plan forums or listening conversations that make room for perspectives often left out.

Issue education

Turn concerns into clear discussion points, information, and next steps for a group.

Partnership and coalition support

Identify shared goals, roles, and ways for partners to stay accountable to their communities.

Areas of focus

Marginalized communities, veterans, health care access, and employment opportunity.
